## Notes from the BHCL board

### Board Meeting

The Beverly Heights Community League board did not hold a meeting in July as too many members were away to reach quorum. Updates from June and July:

- ◆ The Community News newspaper has been delivered to your door every 3 months for the past several years. Due to one of the partners withdrawing, the last edition of the Community News will be at the end of August 2021.
- ◆ **We will continue this eNewsletter to keep you in the loop - be sure to get on the email list by buying a community league membership and adding your email address, or email volunteer.bhcl@gmail.com to be added.**
- ◆ The Summer Green Shack start date was delayed until July 12, then further delayed due to lack of staff to run the program. Once programs begin they will run to August 27. Programming at Floden Park is M-F 10:30-1:30 and at Rundle Heights Playground is M-F 10:30-5:30.
- ◆ The Rundle Heights Playground Redevelopment Committee plan and budget was approved by the board and grants have been submitted.
- ◆ The hall and family centre are again available for rentals as of July 15 (see page 7).

# Abundant Community Edmonton: Beverly/Rundle

The Beverly and Rundle Heights Abundant Community support team is looking for a self-motivated, community minded individual to recruit, train and support our community Block Connectors by serving as our **Neighbourhood Connector**.

To learn more or to apply for this temporarily funded position, please contact Chris at (780) 293-6674

## Abundant Community Beverly/Rundle

Check out the updated Abundant Community website page <https://beverlyheights.ca/abundant-community-edmonton-beverly-rundle/>

## Awesome Block Awards

Neighbourhood Services is looking for the most Awesome Blocks in the city!

We invite you to celebrate your neighbours by nominating your block, building floor or cul-de-sac for an Awesome Block Award. Submissions open May 26 to August 22, 2021.

Click [here](#) for more information and how to submit your story.

## Neighbourhood Watch

We've seen the recent posts about bike thefts, garage break ins and other theft and vandalism. Please ensure your property is locked up, register your bike, and report crime or suspicious behavior. Thank you for pulling together as a community.

### Door Sticker Program

By displaying a Edmonton Neighbourhood Watch Door sticker, you are indicating that you'll get to know your neighbours and look out for them. Would you like a sticker? Email Jackie at [beverlynw.bhcl@gmail.com](mailto:beverlynw.bhcl@gmail.com). Find more information at <https://enwatch.ca/door-sticker/>

### Car Curfew Project

If you have a "car curfew" decal and your car is being driven between 1am-5am the police may stop the vehicle to ensure it is not stolen.

Would you like a sticker?

Email Jackie at [beverlynw.bhcl@gmail.com](mailto:beverlynw.bhcl@gmail.com).

More information at <https://www.edmontonpolice.ca/Resources/Campaigns/CarCurfewProject>

### Walk your Block

Walking your block helps narrow the timeframe for crime and reduces vandalism. Reach out to your neighbours to start a walk your block group, or those that jog, walk their dog, or take daily strolls can register their walks as well.

You can register online and log in on the ENW website at <https://enwatch.ca/walk-your-block/>. A mobile app will be available soon

### Register your bike

Have you registered your bike yet? Register

your bike on <http://bikeindex.org> so others can identify it in the case it goes missing.

If you find a bike, find the serial number (flip the bike over) and search the registry to see if you can connect with the owner.

The EPS outlines the fundamentals of protecting yourself from bike theft. Read more:

<https://www.edmontonpolice.ca/.../Property.../StolenBicycles>

### Report Crime:

Remember if you see something suspicious report it by calling 780-423-4567, #377, or on the EPS Mobile App. If you see a crime in progress, call 911 and do not engage. It is better to be a good witness than an injured victim.

**Victims and witnesses of any crime should be reporting.**

## Rundle Heights Park Redevelopment Project

### Concept Phase, moving into Design Phase:

The 3 committee boards; BHCL, Ivor Dent and St Jerome; have approved and signed off on the concept plan and the budget of approximately \$790,530. We are very excited to be moving into the next design phase soon.

What this means for the committee and the community: we will continue to fundraise and apply for grants to pay for the project. So far we have approximately \$532,540 raised between City of Edmonton NPDP grant, Ivor Dent's provincial grant as a new/replacement school, donations from both schools casino accounts and fundraising money.

### In the Works:

- ◆ Visit us at Community League Day for more information on the park project and talk to a committee member.
- ◆ Park event later in September/early October. More information to come shortly. Watch the September newsletter and Facebook page for details!
- ◆ Sponsorship options: we plan to have the information available at Community League Day and park event.

### More ways to support:

**Donate your bottles!** You can drop off your bottles at the Beverly Bottle Depot and ask to donate the funds to the Rundle Heights Park Project. Every little bit adds up to meet our goals!

**Donations with tax receipts:** Looking for a way to support the park redevelopment but want a tax receipt? Donations of \$20 and more are eligible for a tax receipt. Please contact [stjeromeparentcouncil@gmail.com](mailto:stjeromeparentcouncil@gmail.com) or find the donation information on our:

# City of Edmonton notes for our area

## Residential Street Speed Limit Reduction to 40 km/hr starts August 6!

Starting August 6th, the speed limit will be 40 km/h on most residential and downtown streets.

From the City of Edmonton website: "Starting this August, the city-wide default speed limit will be 40 km/h. If you don't see a speed limit sign on a residential road, the speed limit will be 40 km/h."

30 km/h playground zones will still be in effect from 7:30am to 9pm.

For more information click [here](#).

## Big Bin Events

The City of Edmonton is hosting Big Bin events for household items that can't be set out for regular waste collection. Ten weekend events will be held in various locations throughout the City. [www.edmonton.ca/bigbinevents](http://www.edmonton.ca/bigbinevents)

Edmonton residents will be able to drop off items such as old couches, chairs, mattresses, and appliances free of charge. Computers and other electronics will also be accepted for recycling. Do **\*NOT\*** bring household hazardous waste like paint, varnish, household cleaners or batteries. Take those items to an Eco Station.

All events will run from 9:00 am to 5:00 pm.

◆ **September 25 & 26 @** all 4 Eco Station locations ([www.edmonton.ca/ecostations](http://www.edmonton.ca/ecostations) - our closest is Kennedale Eco Station at 5355 127 Ave)

## Free Compost

◆ The City of Edmonton offers free compost at the Kennedale Eco Station at 5355 127 Ave. The piles are self-serve, there is a limit of 100L of compost picked up at a time.

## Yellowhead Trail East Widening

During the engagement sessions held in 2019, concerns were raised about safe merging operations at eastbound Yellowhead Trail from Victoria Trail. Bryon Heroux, Project Manager with the City of Edmonton reports "Building on this slightly, the changes we are making to Yellowhead Trail (mainly adding an additional through lane) means that there is no longer capacity to support a dedicated freeflow lane from the NB Victoria Trail to EB Yellowhead Trail on-ramp as the Beverly Bridge is only three lanes across. Additionally, maintaining the two merge locations (NB and SB Victoria Trail to EB YHT) with three through lanes on Yellowhead Trail would mean that the length of merge lanes would not be sufficient."

To access Yellowhead Eastbound, rather than heading east on 118 Ave and taking the current ramp there will be a new ramp constructed near the Victoria Trail bridge. You will turn left onto the turn ramp to head east. This construction will be completed before the current ramp is closed, and this will be completed by the fall of 2021.

More general information about the Program and the East Widening Project can be found at [https://www.edmonton.ca/projects\\_plans/yellowhead-trail-freeway-conversion.aspx](https://www.edmonton.ca/projects_plans/yellowhead-trail-freeway-conversion.aspx).

# Neighbourhood notes

**Local Artists Needed:** The Beverly Heights Community League Playground/Green Space Director has put out a call for artists in our midst! "In order to beautify our community we could do murals, put art up on fences, etc. Artists - we need YOU!" If you are interested in learning more and exploring this project, please email volunteer.BHCL@gmail.com.

**Support the 118 Ave Businesses:** The Beverly Business Association has launched a new website and social media campaign. Their goal is to revitalize the Olde Towne Beverly business district, featuring its small town atmosphere and historic roots, market it to strengthen existing businesses and attract new businesses, shoppers and tourists. Watch for new banners and street blades (signage with streets) coming soon!

**Watch for bikes/pedestrians:** The 20 km/hr signage is back along Ada blvd and other streets as part of the Shared Roadways initiative. With the warmer weather, folks are out on pedal bikes, motor bikes and walking more than ever. Please respect the speed limits and watch for others using the streets in all areas of our community.

**Together Again Outdoor Concert Series:** Did you get the notice in the mail? Fridays, Saturdays and Sundays until early September there will be outdoor concerts at the former Northlands Racetrack infield. Organizers plan to wrap up the nights by 10pm and keep the noise level at the mandated levels. It's exciting to again have live music in a limited capacity, socially distanced outdoor space!

\$2 from every ticket sold is donated to Boyle Street and Hope Mission. Volunteers are needed, visit <https://togetheragainveg.ca> for event and volunteer information.

**City of Edmonton Election:** Campaigning has started for the City of Edmonton election in October 2021. Because Community Leagues are non-partisan we will not be sharing any campaign information nor will we allow candidates to post on our social media page. We encourage you to learn about the candidate platforms and be sure to get out and vote!

As you are also likely aware, the wards will change for this election and rather than our current Ward 7, our ward will be known as Metis Ward as of October 18, 2021. More information at [https://www.edmonton.ca/city\\_government/municipal\\_elections/for-voters.aspx](https://www.edmonton.ca/city_government/municipal_elections/for-voters.aspx)
