#### Notes from the Board - Restrictions Exemption Program

The Beverly Heights Community League board met virtually in October. Due to the increased restrictions in mid-September, all planned programs and social activities in September and October were cancelled.

As we transition to more in-person activities, the health, safety and wellness of our community league members and partners is a top priority for the Beverly Heights Community League Board when considering and planning community events.

We want to share that as a Board, we have made the decision to implement the Restrictions Exemption Program (REP) at our facilities – the Beverly Heights Community League Hall, Family Centre and Sports Building/Rink. In addition, a vaccination policy for staff and volunteers has been approved to ensure our patrons and renters feel comfortable while enjoying our venue.

**All those visiting, volunteering, or working in the Beverly Heights Community League Hall, Family Centre and Sports Building who are age 12+ will must be able to show proof of vaccination, or a negative COVID-19 test within 72 hours, or original medical exemption documentation. Masks continue to be required. Thank you for your understanding and cooperation!**

The next virtual monthly board meeting is Tuesday November 9, 2021 starting at 6:30pm. Community members are welcome to attend - email [volunteer.bhcl@gmail.com](mailto:volunteer.bhcl@gmail.com) for the meeting link.
