Notes from the Board

Have you noticed any fresh green buds on the trees yet? Although spring is a bit late in arriving this year, the Beverly Heights Community League Board is excited to get to work bringing the community together for information, fun, fitness, and recreation!

On Tuesday May 3 from 7-8 pm, join us to discuss *“Improving Safety in our Community through Community Connections”*. Learn about Neighbourhood Watch and Good Neighbouring, meet your local police officers, ask questions, and share your concerns in an open and relaxed environment while enjoying coffee and a donut. Everyone is welcome, at the Beverly Heights Hall/Family Centre at 4209-111 Ave. Details on page 5.

On Wednesdays from May 11 to June 22 there are two programs running - Kids Bike Club from 10-11am (meet in front of the hall, 4209-111 Ave) and Beverly Walk Club at 6:30pm for all ages (meet at the rink, 10906-40 St). Details page 4.

Don't forget that your Beverly Heights Community League membership card entitles you to FREE COMMUNITY SWIM on Sundays from 1-3pm at either the Commonwealth Recreation Centre or Eastglen Leisure Centre.

The Beverly Active Senior's Society (B.A.S.S.) held a meeting on April 27 to recruit members and come up with fresh ideas about activities, outings, and fun ways to get those 55+ active in our community. If you are interested in learning more or volunteering, email volunteer.bhcl@gmail.com.

Beverly Heights Community League Annual General Meeting

The Beverly Heights Community League board and community members met on April 12, 2022 for our Annual General Meeting. The meeting was well attended, thank you to all who came! 9 positions were up for election this year.

A heartfelt thank you to our outgoing board members - David Grist and Noma Morrissey - who chose to not accept another term or position this year. David has held several board positions since 2013 (sorry, David, if this is not correct!!) and has taken on many of the vacant roles this past year and deserves volunteer of the year for the responsibilities he has handled so well in ensuring our facilities were ready to reopen in June 2021 and continuing to keep things running smoothly even now. Noma joined the Rundle Heights Playground Redevelopment committee as our board liaison and has also spearheaded work to rejuvenate the pocket park near the No Frills parking lot. We are honored to have worked with you both.

Welcome to our four new board members! Sarah Tiedemann has taken over as Communications Director and you will hear a lot more from her this year! Fae-Lynn Bochanesky replaces Noma as Green Spaces Director and will be working with the established committees as well as developing her own initiatives. Ebbie Mandrusiak replaces Jackie Ewanchuk with Neighbourhood Watch, and Sara Zurbrigg is the new sports director who will be working on bringing fun, fitness, and physical activities for the community to enjoy.

Les Anderson continues to support the board in his role as bookkeeper, working closely with the treasurer, and is also the lead contact for the Beverly Active Senior Society. Stacey Leach is our Neighbourhood Resource Coordinator with the City of Edmonton and is the liaison between the community league and the city.

See below for our updated list of board members. If you are interested in joining the board in the vacant Facilities & Rentals Director or Fundraising Director role, please reach out to us at volunteer.bhcl@gmail.com.

Flag Football - Tentative for Fall 2022

Exciting news! We are looking into having our rink be the home of flag football teams this fall! Once confirmed, registration will be through the Capital District Minor Football Association (CDMFA) who will coordinate registration, teams, equipment, and coaches - we just provide the space. The season will run 8 weekends for \$225 (Kidsport/Jumpstart payment options will be available), with 8 x 60min games. Jersey, shorts, flag belt, football, insurance, CDMFA membership, and coaching included.

Age categories: U7 (2016-2018 birth years), U10 (2013-2015 birth years), tentative: U13 (2010-2012 birth years)

As soon as we have this confirmed we will share more details! We may need help maintaining the grass in the rink and will be asking for volunteers to help us mow, trim and rake through the summer and the flag football season.

Beverly Cleanup Saturday May 14 from 9-12 or 1-4 - LETS DO THIS TOGETHER

From the Beverly Cleanup website: Spring has sprung. The leaves are sprouting, birds are chirping, and kids are playing outdoors. What if you could spend a few hours on a Saturday making your community a better place to live in?

We invite you to join us on **Saturday, May 14th** for this year's Beverly Cleanup. Hundreds of local volunteers will be dispatched throughout Beverly and its adjacent neighbourhoods to collect debris and add a touch of beauty to our community. We want to cultivate a clean and safe place for all. We will be covering the neighbourhoods south of the Yellowhead Trail, between 50th Street and Victoria Trail. With enough volunteers, we hope to cover many of the parks and green spaces in the region as well. You can lend a hand by joining us for at least one of two shifts:

FIRST SHIFT: 9:00 am to 12:00 pm **SECOND SHIFT: 1:00 pm to 4:00 pm**

If you prefer, you can specify your clean-up location when you register. Supplies will be provided when you arrive (check in at the Tegler Youth Centre) to confirm your registration and a volunteer meal provided after your shift. To ensure that we have sufficient food supplies for everyone, **please register in advance**. Look for more details below.

Please register [here](#).

Got questions? Send us an **email** at volunteer@beverlycleanup.com. Many local groups and agencies played a role in making this event happen. We are thankful for Tegler Youth Centre, Rundle Health Centre, Crosspoint Church, Beverly Business Association, Capital City Cleanup, and Beverly Community League.

Rundle Heights Park Redevelopment Project

Exciting news! Take a sneak peek at the playground design and winning bid from Park n' Play. The surfacing and construction is out to tender right now, so **we are on track to build this summer**. A few of our items were moved to an "add/delete" list as we wait for funding and grants that are slow to come in. So as a compromise, we moved a few items so we can move ahead with the build this year. I.e. The shelter, a few park benches, reduced the amount of poured in place rubber etc. We continue to fundraise for things like park benches and poured in place rubber, moving them back from the "add/delete" lists and to ensure we have a little bit of a contingency fund in place for construction.

Overview of the park. In the middle and on the right is the original park footprint. On the left is the new addition.

A fun continuation of the larger structure is a circuit including a Zipline, balancing and hanging equipment. A couple more swings and spinning elements. On wood chip surfacing.

New toddler section. Wood chip surfacing (poured in place in this section was added to the "add/delete list until we can secure the grants and funding). In the back is the potential sand box (on the add/delete list)
